Our ref: EAB/hsa

Dear Parents/Guardians,

As part of the fortnightly library lessons, your child uses a software programme called Renaissance 'Accelerated Reader' at school to support reading for pleasure. Students read their books and complete a quiz to earn points towards their target. The programme will also record how many words each student reads.

This programme has a special feature called Home Connect, which means they can access Accelerated Reader outside of school from any computer with an Internet Connection. This allows them to quiz on books they have finished either at home or at school. Home Connect allows you to view information about your child's progress. It also allows you to sign up to receive email notifications after your child completes an activity or assessment at school.

You can log in to Home Connect from any computer with an Internet Connection and compatible browser. For a list of compatible browsers, type the following in any browser:

<https://docs.renaissance.com/R37776>

To log in to Home Connect Website: <https://global-zone61.renaissance-go.com/studentprogress/homeconnect?t=2237829>

Your child has their username (school email address) and password. This will be the same as they use in school for this system.

We are rewarding students for reaching 'Word Millionaire' status, and for reaching their reading points target. The key to this is reading suitable books and quizzing! Students should be reading for at least 30 minutes per week at home.

If you have any questions, please do not hesitate to contact me.

Yours faithfully,

Mrs Bailey
Assistant Headteacher
