

Thursday 30 April 2026

Dear Parent/Carer,

Year 12 Future Pathways Evening (Wednesday 21 May – 5.30-6.30 pm)

We are delighted to share news of our careers provision for your young person as they research and explore their post-18 'Future Pathways.'

At St Bernard's, we pride ourselves on offering a personalised approach to careers guidance so every young person can make informed decisions. We place students' aspirations and ambitions at the heart of everything we do. As part of this, we welcome your support in helping them develop robust aspirations, whilst also encouraging resilience and realistic expectations through the process. Our shared goal is to ensure all students leave us with the best possible life chances.

Parent/Carer Evening

Following our off-timetable *Future Pathways Day* for students on 15th May, we warmly invite you and your young person to join us for an online *Future Pathways Information Evening* on **Wednesday 20th May, 5:30–6:30pm**. Students may attend in their own clothes if they wish.

The event will take place in SF1 (Sixth Form Common Room) and you are asked to enter and exit through the Milton Road gate entrance

We will be exploring a range of post-18 options—including university, apprenticeships, employment, and gap years—as well as deadlines and application processes. There will also be time for questions. We hope you can join us for this important and informative session as we work together to support your young person's next steps. Please complete the sign-up link to confirm your attendance:
